- **NEW - Virtual Open House**

- Open House will be on Wednesday, September 30th from 5-7 pm

- **GoGuardian**

- Since CCSD initiated distance learning, all Chromebooks will have a management and Internet filtering tool that your child's school uses for devices issued to students. The Internet filter will also apply to any student whenever a student logs on to a Chrome Internet browser with his or her school-issued [nv.ccsd.net](http://nv.ccsd.net) account. GoGuardian will NOT filter content or impact the browsing experience of NON-CCSD accounts (private Gmail accounts, etc.). Through the use of this tool, we hope to encourage safer practices and responsible browsing habits. Any attempt to access inappropriate content using a school-issued Gmail account will generate an immediate email, "red flag," that is sent directly to the school's administrative team. The devices may be disabled remotely if deemed necessary by school administration. Please contact the school if you have any questions. Thank you.

We hope you have a great weekend and will see you next week!

Mr. Adams

Principal, Sunrise Mountain High School
